**\*\*\*Please note:** The teams assigned to work the snack shack are also responsible for maintaining the restrooms. This includes replenishing toilet paper and paper towels, wiping down the counter and mirrors, cleaning the toilets, mopping the floor and emptying the trash.

**\*\*\*If you have a parent utilizing the buy out option, let Angie and Muriel know ASAP. We will schedule them for you. You will note their name on open shifts after all other families have signed up and write BUYOUT near their name.**

**UNSCHEDULED SNACK SHACK PARENTS:** All parents are expected to fill two shifts per player. If you are unable to confirm a shift with a parent, please provide the information below and we will **AUTOMATICALLY** schedule them for an alternate time or **COLLECT** buy out payment.
